

# VOLUNTEERS NEEDED!

## Winter Wildlife Field Days

March 2025 in locations throughout Benton, Linn, Polk and Marion Counties

Winter Wildlife Field Days, led by the Willamette Valley National Wildlife Refuge Complex and brought to you by *many* incredible partners, invite you to help bring this popular bilingual (English/Spanish) nature education event to life in March!

**What:** We are looking for volunteers to staff and run Field Stations that will pop-up in local parks and community spaces in March.

**When:** 2 and 3-hour volunteer options on weekends and weekdays throughout the month of March 2025.

**Who:** **Volunteers (8<sup>th</sup> grade and above) can choose to help with:**

- Welcoming families, sharing materials
- Guide visitors through activities and on nature walks
- Lead groups through data collection for soil studies
- Help with set up and tear down
- No experience necessary. You will have a staff member to guide you and provide support!

**Where:** **Field Stations** in the Corvallis, Albany, Monmouth, Dallas, Independence, Salem, and Jefferson area with activities including:

- Decomposer studies
- Nature calm kits
- Live critters
- Bird and nature walks
- Prairie habitat activity and craft
- Obstacle course
- 3D Habitats
- Native plant herbarium creation

**Sign up!** **To sign up to volunteer:**
