“Hands” is a collaborative project that created a bilingual (English and Amharic) early reader book, published by Open Hearts Big Dreams, featuring artwork created by students of Sister Cities of Corvallis and Gondar (Ethiopia); published and shared in both the US and Ethiopia.

Books will be available for purchase!

Come show your support for Corvallis students, our Sister City of Gondar, and the power of international collaboration and friendship!

We are looking forward to sharing this wonderful project with you!
