

# Heat Now, Cool Later!

*Don't get heated about high costs-  
cool down this summer with  
Seeds for the Sol!*

Seeds for the Sol provides a free service to guide homeowners through the process .

Due to the 2019 heat dome and significant loss of lives, the Oregon Department of Energy is providing opportunities for heating and cooling upgrades with heat pump technology.\*

\*With additional funding for insulation and electrical upgrades that may be required for installation.
